

Creative Cheatsheets Pack

*Use these creative idea generators to jumpstart stories, scenes, and characters.
Designed for middle and high school students who need a spark to get started.*

Quirky Character Generator

- A detective who's afraid of the dark
- A teen who speaks in song lyrics
- A villain who's allergic to their evil sidekick
- A time traveler who can't remember the future
- A librarian who secretly runs an underground gaming league

Plot Twist Generator

- The hero loses their memory ... and becomes the villain.
- A message in a bottle changes everything.
- The prize everyone is fighting for turns out to be fake.
- The main character switches places with their pet.
- A forgotten side character becomes the real protagonist.

Setting Ideas

- A grocery store at midnight where nothing stays where it belongs
- An underwater school for mythical creatures
- A deserted town with messages scrawled on every wall
- A treehouse with its own weather system
- A post-apocalyptic library guarded by cats
